

Bus Transportation Safety Support

PRACTICAL, PROACTIVE SAFETY TRAINING
FOR SCHOOL TRANSPORTATION TEAMS

How We Support Transportation Teams

BUS DRIVER SAFETY TRAINING PROGRAM

- Practical safety training designed specifically for school drivers
- Helps drivers recognize risks before incidents escalate
- Builds confidence managing students, routes, and emergencies
- Supports safer bus environments and stronger district readiness

STUDENT MANAGEMENT & DE-ESCALATION SKILLS

- Techniques to calm tense situations on the bus
- Clear communication strategies drivers can use immediately
- Helps reduce conflict, disruption, and unsafe behavior
- Reinforces driver authority while keeping interactions controlled

ROUTE, STOP, & ENVIRONMENTAL SAFETY

- Identifying higher-risk stops and pickup environments
- Reinforcing safe loading and unloading practices
- Awareness of lighting, traffic flow, and environmental hazards
- Helps reduce accidents and improve overall transportation safety

EMERGENCY RESPONSE & DECISION MAKING

- Guidance for fights, medical emergencies, and threats
- Evacuation decision support and student accountability steps
- Communication coordination with dispatch, schools, and responders
- Helps drivers act quickly without hesitation or confusion

REAL-WORLD SCENARIO TRAINING

- Instruction based on situations drivers actually face
- Simple response steps that are easy to remember under stress
- Focus on prevention, control, and safe outcomes
- Practical training, not theory
